1. The rate should be given for each item of work in figures and words and not on percentage basis.

2. The rates quoted should hold good from the date of acceptance by the competent authorities.

3. Tender should be accompanied by a treasury challan for having credited the earnest money to the Government Treasury under the head "Revenue Deposits". Tenders not accompanied by chellan will be rejected. Arrears due to the contractors cannot be accepted in lieu of earnest money.

4. The final acceptance of the quotation will rest with the competent authority of the Public Works Department.

5. The successful tenderer should bind himself to abide by the Departmental rules in force and execute the necessary agreement within a week of acceptance of his tender failing which the earnest money will be forfeited to Government and the work will be disposed off otherwise.

6. The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

7. The contractor should pay himself royalties, sales-tax or any other tax that may be prescribed from time to time by Government. The recovery of royalties and sales-tax will be deducted out of the bills provided that the tenderer expresses his willingness for doing so.

8. Workmen's compensation as per Government Order No. 4787-89—Irn. 21-52-1, dated 27th August 1952. Tenderer has to empower the Executive Engineer to effect such recoveries from his bills as may be necessary for payment of compensation to disabled persons employed under them, care being taken to see that Government is not put to any loss on any account.

9. The contractor will as far as possible recruit the personnel required by him through the nearest Employment Exchange in the region.

10. The Treasury chellan of such of those who are not entrusted with the work will be returned to them to obtain repayment at the treasury.

11. The tender will be opened at 4-30 P.M. on 15th November 1956 by the Executive Engineer, No. 9 Survey and Designs Division or any one authorised by him.

12. The Executive Engineer reserves the right of distributing the work on piece work system amongst those who have quoted and who are willing to take up the work at the accepted tender rates.

13. The contractor should make his own arrangements for conveying materials.

14. Copy of the tender forms may be had from the office of the Executive Engineer, No. 9 Survey and Designs Division, Thyavanige on payment of annas (0-4-0) four for each form.

15. The plan and estimate and other particulars relating to the work will be available in the office of the Executive Engineer, No. 9 Survey and Designs Division, Thyavanige between 11 A.M. to 5 P.M. on all working days.

16. For lumpsum provision for items not provided in the estimate the rates will be paid as per current minimum schedule of rates. For items of work not found in the schedule of rates, the rates as per approved data will be paid.

17. The Sales-tax, Income-tax Clearance Certificates should be enclosed along with the tender. Tenders received without the certificates are liable to be rejected.

18. The contractor will have to make his own arrangements for water, required for the works, scaffolding materials, etc. No extra amount will be paid. A monthly progress as noted against each estimate respectively should be given.

19. If the work is not completed and handed over within the time fixed, a fine of Rs. 150 will be levied for every month's delay.

20. The tender should be submitted in duplicate only. The lower rates in two copies will be adopted in the event of their being the difference in the rate mentioned.

21. Controlled articles like cement, steel, etc., will be issued at rates current at the time of issue only on cash basis.

22. The contract should not be sublet, otherwise the tender will be cancelled and the earnest money forfeited.

23. The term "Specification" mentioned either in the schedule or in the estimate in the notified forms would mean "specific" items of work to be done according to the instructions of the P.W.D., with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, HASSAN.

Notification dated 31st October 1956.

Sealed tenders, in duplicate (typewritten or written in ink) will be received in the Office of the Superintendent, Power and Lighting, Hassan, up to 4 P.M., on 26th November 1956 for the following work.

"Installing electric Lights to the Taluk Office at Krishnarajapet, Mandya District".

The tenders shall be superscribed as "Tender for installing electric lights to the Taluk Office, Krishnarajapet".

Intending tenderers are requested to apply to this office for copies of details of specification. Detailed sketch and plan may be seen at any time in the Office of the Superintendent, Power and Lighting, Hassan, on working days between 11 A.M. and 5 P.M.

The earnest money required along with the tender is Rs. 50 which has to be paid in cash.

Specific rates should be given for each item in the Schedule and the rates should be noted both in words and figures.

The tendered rates should be for work to be done as per standard specifications approved by the Department and for using the best quality of materials.

The work should be completed in all respects within fifteen days from the date of acceptance of tender.

The quantities as estimated are only approximate and are liable to alterations, omissions, deductions or additions at the discretion of the Officers of the Department. The tendered rates will hold good for any quantity whether higher or lower than those estimated for.

The right of rejection of any or all the tenders without assignment of any reason therefor rests with the undersigned.

Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the agreements in the departmental schedule contract form for the due fulfilment of the contract.

The successful tenderer will have to pay 5 per cent of the estimated amount towards Security Deposit before executing the agreement at the time of awarding the work.

A certificate as to the clearance of Sales-tax should invariably be enclosed along with the tender. Non-registered dealers having less than Rs. 7,500 turnover per annum need not produce the Clearance Certificate in which case a certificate to this effect should be recorded as "Certified that in as much as our annual turnover is less than Rs. 7,500 we are unable to furnish the Sales-tax Clearance Certificate".

The lower of the rates in the tenders obtained in duplicate, will be adopted in the event of there being any difference in the rates mentioned.

The successful tenderer will have to produce the samples of the materials specified in the tender before the undersigned for approval prior to the execution of agreement for taking up the work.

Conditions.

1 The tenderers should quote their rate for each item.

2 The successful tenderer should be prepared to deposit security amount not exceeding 5 per cent of the value of the orders placed and to execute an agreement on a Mysore Government Stamp Paper of Re. 1-8-0 for the proper performance of the contract.

3 Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4 The materials should be supplied within the time stipulated in the tender.

5 In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Chief Marketing Officer shall be final.

6 The Chief Marketing Officer does not bind himself to accept the lowest or any tender but reserve to himself the right to select from any tender such articles as he may consider expedient to accept.

7 Failure to supply, whether of a portion of the indent or the entire quantity as per the terms of the indent or non-performance or non-supply in time or supplying material which does not conform to the specifications, quality prescribed or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following:—

(a) Cancellation of the indent or order in part or in whole.

(b) Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the Chief Marketing Officer.

(c) Forfeiture or adjustment of Security Deposit in whole or to the extent necessary as considered fit by the Chief Marketing Officer.

(d) Recovery of extra cost, if any, incurred by the Chief Marketing Officer in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

8 The articles and the quantities mentioned in the enquiry are only provisional and the Chief Marketing Officer reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order.

9 Quotations with firm prices will be preferred.

10 Sales-Tax, if any, should be quoted separately.

11 No enhancement of prices will be allowed after the acceptance of the order.

K. R. MARUDEVA GOWDA,
Chief Marketing Officer.
